

CENSUS TABLES.

	PAGE.
I. Area and population by provinces, districts and subdistricts in 1911 and population in 1901.....	2-172
II. Conjugal condition of the people classified as single, married, widowed, divorced, legally separated and not given, by districts and subdistricts.	174-511
III. Conjugal condition of the people classified as single, married, widowed, divorced, legally separated and not given, by districts.	512-519
IV. Conjugal condition of the people classified as single, married, widowed, divorced, legally separated and not given, by provinces.	520
V. Population of Canada and its provinces and territories in the years 1871-81-91-1901-1911.	522
VI. Population of Canada and its provinces and territories in 1871 and 1911, showing its increase by decades in forty years.	522
VII. Population in 1871 and increase of per cent of population by decades in forty years 1871-1911.	522
VIII. Area and population of Canada by provinces and districts in 1911 and population in 1901.	523-526
IX. Rural and urban population of Canada in 1911 and 1901 by provinces and electoral districts and increase in the decade.	527-530
X. Rural and urban population of Canada in 1911 and 1901 by provinces and increase in the the decade.	530
XI. Houses and families in 1911 and 1901 by provinces and electoral districts and increase in decade.	531-534
XII. Houses and families in 1911 and 1901 by provinces and increase in the decade.	534
XIII. Population of cities, towns and incorporated villages in 1911 and 1901 by provinces and electoral districts and increase in the decade.	535-557
XIV. Population of cities and towns having 4,000 inhabitants and over in 1911 compared with 1871-81-91-1901.	554-555
XV. Area of lakes in Canada.	556-557

TABLEAUX DU RECENSEMENT.

	PAGE
I. Superficie et population du Canada par provinces, districts et sous-districts en 1911 et population en 1901.	2-172
II. Etat civil de la population, classifiée comme célibataire, marié, en veuvage, divorcé, séparé légalement et non-donnés, par districts et sous-districts.	174-511
III. Etat civil de la population, classifiée comme célibataire, marié, en veuvage, divorcé, séparé légalement et non-donnés par districts.	512-519
VI. Etat civil de la population classifiée comme célibataire, marié, en veuvage, divorcé, séparé légalement et non-donnés, par provinces.	520
V. Population du Canada par provinces et territoires pour les années 1871-81-91-1901-11.	522
VI. Population du Canada par provinces et territoires en 1871 et 1911, montrant l'augmentation par décades en quarante ans.	522
VII. Population en 1871 et augmentation du pourcentage de la population par décades en quarante ans.	522
VIII. Superficie et population du Canada par provinces et districts en 1911 et population en 1901.	523-526
IX. Population rurale et urbaine du Canada en 1911 et 1901 par provinces et districts électoraux et augmentation durant la décade.	527-530
X. Population rurale et urbaine du Canada en 1911 par provinces et augmentation durant la décade.	530
XI. Demeures et familles en 1911 et 1901 par provinces et districts électoraux et augmentation durant la décade.	531-534
XII. Demeures et familles en 1911 et 1901 par provinces et augmentation durant la décade.	534
XIII. Population des cités, villes, et villages incorporés en 1911 et 1901 par provinces et districts électoraux et augmentation durant la décade.	535-553
XIV. Population des cités et des villes ayant plus de 4,000 habitants en 1911 comparée avec 1871-81-91-1901.	554-555
XV. Superficie des lacs du Canada.	556-557

TABLE OF CONTENTS.

		PAGES.
Introductory tables.....		v-xviii

RELIGIONS.

TABLE	I. Religions of the people by provinces for 1911 and totals for 1901 and 1911.....	2-3
TABLE	II. Religions of the people for 1911 by census sub-districts.....	4-147
TABLE	III. Religions of the people by provinces 1911.....	146-147
TABLE	IV. Religions of the people by census sub-districts 1911.....	148-155
TABLE	V. Comparative statement showing the principal religions of the people by provinces in 1911, 1901 and 1891.....	156-157
TABLE	VI. Religions of the people in principal cities 1911.....	158-159

ORIGINS.

TABLE	VII. Origins of the people by census sub-districts 1911.....	162-331
TABLE	VIII. Origins of the people by census districts 1911.....	332-341
TABLE	IX. Origins of the people by provinces.....	340-341
TABLE	X. Origins of the people by districts according to sex.....	342-366
TABLE	XI. Origins of the people in 1911 and 1901 showing increase and proportion per cent of population.....	367
TABLE	XII. Origins of the people by provinces according to sex.....	368-369
TABLE	XIII. Origins of the people by provinces 1911 and 1901.....	370-371
TABLE	XIV. Origins of the people in principal cities 1911.....	372-374

BIRTHPLACE AND CITIZENSHIP.

TABLE	XV. Birthplace of the people by districts.....	376-425
TABLE	XVI. Birthplace of the people in cities and towns of 7,000 and over.....	426-439
TABLE	XVII. Birthplace of the people by provinces.....	440-443
TABLE	XVIII. Population by birthplace 1911 and 1901 and percentages.....	444
TABLE	XIX. British and foreign born by provinces 1911 and 1901.....	445
TABLE	XX. Population born in British Islands by provinces 1911 and 1901 and increase in ten years.....	446
TABLE	XXI. Per cent ratio of population by birthplaces in cities of 7,000 and over.....	447
TABLE	XXII. Sources of population by provinces 1911.....	448-449
TABLE	XXIII. Native population classified according to province of residence.....	448-449
TABLE	XXIV. Per cent distribution of native population by provinces of birth.....	450-451
TABLE	XXV. Per cent distribution of native population by province of residence.....	450-451
TABLE	XXVI. Citizenship of foreign-born by provinces and districts.....	452-455
TABLE	XXVII. Citizenship of males 21 years and over by districts.....	456-460

LITERACY OF THE PEOPLE.

TABLE	XXVIII. Literacy of total population 5 years of age and over by districts.....	462-466
TABLE	XXIX. Literacy of Canadian-born males 5 years of age and over by districts.....	467-471
TABLE	XXX. Literacy of Canadian-born females 5 years of age and over by districts.....	472-476
TABLE	XXXI. Literacy of British-born males 5 years of age and over by districts.....	477-481
TABLE	XXXII. Literacy of British-born females 5 years of age and over by districts.....	482-486
TABLE	XXXIII. Literacy of Foreign-born males 5 years of age and over by districts.....	487-491
TABLE	XXXIV. Literacy of Foreign-born females 5 years of age and over by districts.....	492-496
TABLE	XXXV. Literacy of Canadian-born males 21 years of age and over by districts.....	497-501
TABLE	XXXVI. Literacy of British-born males 21 years of age and over by districts.....	502-506
TABLE	XXXVII. Literacy of Foreign-born males 21 years of age and over by districts.....	507-511
TABLE	XXXVIII. Literacy of the population 5 years of age and over in cities and towns of 7,000 and over.....	512-513

INFIRMITIES.

TABLE	XXXIX. Blind—statistics of by districts, showing conjugal condition, groups of ages, age incapacitated, origins, birthplace and occupations.....	514-541
TABLE	XL. Deaf and Dumb—statistics of by districts, showing conjugal condition, groups of ages, age incapacitated, origins, birthplace and occupations.....	542-569
TABLE	XLI. Insane—Statistics of by districts showing conjugal condition, groups of ages, age incapacitated, origins, birthplace and occupations.....	570-597
TABLE	XLII. Idiotic—statistics of by districts, showing conjugal condition, groups of ages, age incapacitated, origins, birthplace and occupations.....	598-625
TABLE	XLIII. Infirmities—Summary for Canada and the provinces, showing conjugal condition, groups of ages, age incapacitated, origins, birthplace and occupations severally of the blind, deaf and dumb, insane and idiotic population of Canada.....	626-637
TABLE	XLIV. Total number of infirm people and proportion per 10,000 of the population by provinces in 1891, 1901 and 1911.....	635
TABLE	XLV. Percentage of defectives in each class of the population 1911.....	639
TABLE	XLVI. Number of infirm people per 10,000 in each class of the population 1911.....	640
Appendix	Census of the far north of Canada.....	641-654

CENSUS TABLES.

	PAGE.
I. Establishments, capital, salaries and wages, cost of materials and value of products by kinds of industries.....	2-25
II. Real estate, plant and working capital, by kinds of industries.....	26-51
III. Salaries and wages of persons employed, by kinds of industries.....	52-83
IV. Working time and consumption of fuel, by kinds of industries.....	84-111
V. Materials and products, by kinds of industries.....	112-137
VI. Mechanical power by kinds of industries.....	138-163
VII. Establishments, capital, salaries and wages, materials and products, compared for 1900 and 1910.....	164-199
VIII. Industries by name or kind and number.....	200-200
IX. Manufactures of Census Districts showing capital, employees, wages, materials and value of products.....	210-321
X. Manufactures of Census Districts by groups of values of production.....	322-349
XI. Manufactures of Cities and Towns, having 5,000 inhabitants and over compared for 1891, 1901 and 1911, by provinces.....	350-354
XII. Manufactures of Towns and Villages having 1500 to under 5000 inhabitants compared for 1891, 1901 and 1911 by provinces.....	355-364
XIII. Comparative statement of the manufactures of Cities, Towns and Villages of 1500 and over in 1900 and 1910, with population in 1901 and 1911.....	365-369
XIV. Classified groups of industries.....	370-379
XV. Principal manufacturing establishments by groups of products.....	380-387
XVI. Manufactures of dairy industries—Factories producing butter only.....	388-395
XVII. Manufactures of dairy industries—Factories producing cheese only.....	396-401
XVIII. Manufactures of dairy industries—Factories producing butter and cheese.....	402-403
XIX. Manufactures of dairy industries—Factories producing condensed milk.....	410-411
XX. Summary of dairy industries.....	412
Appendix, Glossary of Terms.....	414-417

CONTENTS.

INTRODUCTION.

	PAGE.
FOREWORD.....	v
Farm Lands—	
Total land areas occupied and estimated areas possible of occupation as farm lands, in Canada, at date of the Census, June, 1911.....	vii
Total land area and land in farms by provinces 1911 and 1901.....	viii
Population, farms, farm lands and farm property of Canada, 1911 and 1901.....	ix
Farm holdings, 1891-1911.....	x
Per cent distribution of farm holdings, 1891-1911.....	xi
Tenure of farm lands, 1891-1911.....	xii
Comparative areas of farm lands by provinces in 1911 and 1901, together with increases made in ten years.....	xiv
Per cent distribution of farm lands by provinces, 1911 and 1901.....	xv
Average size of farms and average acreage of improved land per farm 1911 and 1901.....	xvi
Farm Property—	
Value of farm property, by provinces, 1911 and 1901.....	xviii
Average value of farm property per farm holding by provinces, 1911 and 1901.....	xix
Per cent proportion of the value of farm property belonging to each province, 1911 and 1901.....	xx
Per cent distribution of the value of farm property according to classes by provinces, 1911 and 1901.....	xxi
Orchards and Gardens—	
Orchard and Garden areas for all Canada, 1891-1911.....	xxi
Land in orchards, small fruits and vegetables compared by provinces, 1891-1911.....	xxii
Fruit trees bearing and non-bearing together with average number per farm and per 100 acres of improved land, 1911 and 1901.....	xxiii
Fruit production for all Canada together with the average production per farm and per 100 acres of improved land, 1890-1910.....	xxiv
Orchard trees in 1901 and 1911 and fruit in 1890, 1900 and 1910 compared by provinces.....	xxv
Value of fruits and vegetables separately in 1910 and compared by totals in 1910 and 1900, together with the per cent of increase in ten years.....	xxvi
Per cent proportion which the value of orchard fruits, of small fruits and of vegetables forms of the aggregate value of fruit and vegetables, by provinces in 1910.....	xxvii
Quantity and value of fruit exported for the years ended June 30, 1891, 1901 and 1911.....	xxviii
Quantity and value of fruit imported for the years ended June 30, 1891, 1901 and 1911.....	xxviii
Field crops—	
Comparative area of field crops, by provinces 1890, 1900, 1910 and 1911.....	xxix
Vacant farms in eastern Canada, Census 1911.....	xxx
Per cent distribution of acreage under field crops by provinces 1890, 1900 and 1910.....	xxx
Comparative statement showing increases or decreases in the acreage of field crops for all Canada from 1890 to 1900 and from 1900 to 1910.....	xxxii
Comparative statistics of areas of field crops by provinces, 1890, 1900, 1910 and 1911.....	xxxiv-xxxvii
Average acres of specified field crops per farm holding in 1910 and 1900.....	xxxix
Average acres of specified field crops per 100 acres improved land by provinces, 1911 and 1901.....	xl
Percentage which the area under specified crops forms of the total area of improved land and also the percentage of the total acreage under field crops possessed by each crop, by decades.....	xli-xliii
Comparative statement of yields of grain crops, 1890-1910.....	xlv
Comparative statement of yields of hay, potatoes, root and other crops, 1890-1910.....	xlvii
Area and production of field crops for all Canada, 1890, 1900 and 1910.....	xlix
Average production of field crops per acre under such crops for all Canada, 1890-1910.....	l
Comparative statistics of yields per acre of grain crops, by provinces, 1890-1910.....	l
Average production per farm of principal crops, by provinces, 1910 and 1900.....	li
Total value of field crops together with their average value per farm, by provinces, in 1910 and 1900.....	lii
Value of field crops by specified kinds, 1910.....	liii
Per cent proportion of the total value of all field crops represented by specified crop groups, 1910.....	liv
Unit value of field crops by provinces in 1910.....	lv
Per cent distribution of the value of field crops, together with their average value per acre of land under such crops, 1910 and 1900.....	lv
Principal crops classified according to value of production, by provinces, 1910.....	lvi
Quantity and value of field crops exported in 1891, 1901 and 1911 being the production of the census years 1890, 1900 and 1910.....	lvii
Rent and Labour—	
Rent of agricultural lands by provinces in 1911 and 1901.....	lviii
Farm labour and wages by provinces, 1911 and 1901.....	lx
Live Stock on farms—	
Summary of the number and value of live stock in Canada as a whole, 1911 and 1901.....	lxi
Number of horses, all ages, by provinces, 1911 and 1901.....	lxii
Per cent distribution of horses, by provinces and average number per 100 acres improved land, 1911 and 1901.....	lxii
Value of horses by provinces, 1911 and 1901.....	lxiii
Average value per head of horses together with the average number per farm by provinces, 1911 and 1901.....	lxiii
Number of milch cows by provinces, 1911 and 1901.....	lxiv
Value of milch cows by provinces, 1911 and 1901.....	lxv
Average value per head of milch cows, together with the average number per farm by provinces in 1911 and 1901.....	lxvi
Per cent distribution of milch cows and average number per 100 acres of improved land, by provinces, 1911 and 1901.....	lxvi
Number of horned cattle, other than milch cows, by provinces, 1911 and 1901.....	lxvii
Value of horned cattle, other than milch cows, by provinces, 1911 and 1901.....	lxviii
Average value per head of horned cattle, other than milch cows, together with the average number per farm, 1911 and 1901.....	lxviii
Per cent distribution of horned cattle, other than milch cows, and the average number per 100 acres of improved land, by provinces, 1911 and 1901.....	lxix
Number of sheep by provinces, 1911 and 1901.....	lxx
Value of sheep by provinces, 1911 and 1901.....	lxx
Average value of sheep, together with the average number per farm by provinces, 1911 and 1901.....	lxxi

	PAGE.
Per cent distribution of sheep and the average number per 100 acres of improved land, by provinces, 1911 and 1901.....	lxxi
Number of swine in Canada, by provinces, 1911 and 1901.....	lxxii
Value of swine by provinces, 1911 and 1901.....	lxxii
Average value per head of swine, together with the average number per farm, by provinces, 1911 and 1901.....	lxxiii
Per cent distribution of swine and the average number per 100 acres of improved land, by provinces, 1911 and 1901.....	lxxiv
Number of poultry by provinces, 1911 and 1901.....	lxxiv
Poultry according to kinds by provinces, 1911 and 1901.....	lxxv
Per cent distribution of poultry and the average number per 100 acres of improved land, by provinces, 1911 and 1901.....	lxxvi
Value of poultry by provinces, 1911 and 1901.....	lxxvi
Average value per head of poultry, together with the average number per farm, by provinces, 1911 and 1901.....	lxxvii
Exports of domestic animals by decades 1881-1910, and separately for the years 1909 and 1910.....	lxxviii
Pure-bred animals on farms by provinces, 1911 and 1901.....	lxxix
Average value per head of animals on farms, June 1911, and of animals sold in 1910 compared.....	lxxx
Live stock sold—	
Horses sold in 1910. Proportion which they form of horses on farms, together with the per cent distribution of sales by provinces.....	lxxxi
Cattle, all kinds, sold in 1910. Proportion which they form of cattle on farms, together with the per cent distribution of sales by provinces.....	lxxxii
Milch cows sold in 1910. Proportion which they form of milch cows on farm, together with the per cent distribution of sales, by provinces.....	lxxxiii
Sheep sold in 1910. Proportion which they form of sheep on farms, together with the per cent distribution of sales by provinces.....	lxxxiii
Swine sold in 1910. Proportion which they form of all swine on farms, together with the per cent distribution of sales, by provinces.....	lxxxiv
Revenue from poultry, by provinces in 1910.....	lxxxv
Comparative statement of the aggregate value of all domestic animals, sold or slaughtered, 1910 and 1900.....	lxxxv
Exports and Imports of Animal products—	
Production, exports, imports and consumption of Eggs, 1910 and 1900.....	lxxxvi
Quantity and value of animal products exported, 1891, 1901 and 1911.....	lxxxvii
Dairying—	
Comparative statistics of the Dairy Industry showing production, exports, imports and consumption, for all Canada, in the census years 1911 and 1901.....	lxxxviii
Comparative statement of Butter and Cheese production in Canada, 1910 and 1900.....	lxxxix
Dairy production, by provinces, in 1910.....	xc
Value of Dairy products by provinces together with the average value of product per cow, 1910 and 1900.....	xci
General summary—	
Comparative statement of the total value of all farm property, of land products, of animals sold or slaughtered and of animal products in 1910 and 1900 together with the increase made in the decade.....	xcii-xciii
Non-productive areas in the Northwest provinces in the harvest year 1910.....	xcvi
Per cent return on investment in farm property which the gross value of land products, animals sold and animal products represent by provinces, 1910 and 1900.....	xcv
DIAGRAMS ILLUSTRATING THE PRODUCTION OF GRAINS BY DECADES.....	facings xliiv

GENERAL TABLES.

Table I. Farm Holdings.....	2-45
Table II. Land occupied according to Tenure and Condition.....	46-133
Table III. Grain crops, 1910.....	134-221
Table IV. Hay, Potatoes, Roots, etc., 1910.....	222-309
Table V. Fruit trees and fruit.....	310-327
Table VI. Field crops, Harvest Year 1911.....	328-337
Table VII. Live Stock on farms, 1911.....	338-347
Table VIII. Live Stock sold and Animal products, 1910.....	348-357
Table IX. Values of Lands, Buildings, Implements and Grain crops.....	358-367
Table X. Values of fruit, fodders, hoed crops and labour on farms, 1910.....	368-377
Table XI. Values of Dairy products, wool and eggs, 1910.....	378-381
Table XII. Values of Live Stock in 1911 and of Animals sold or slaughtered in 1910.....	382-389
Table XIII. Summary of Land occupied according to Tenure and Condition.....	390-391

Table XV. Summary of Hay, Potatoes, Roots, etc., 1910.....	392-393
Table XVI. Summary of Fruit trees and Fruit.....	392-395
Table XVII. Summary of Field Crops, Harvest Year, 1911.....	394-395
Table XVIII. Summary of Live Stock on Farms, 1911.....	396-397
Table XIX. Summary of Live Stock sold and Animal products, 1910.....	396-397
Table XX. Summary of values of Lands, Buildings, Implements and Grain Crops.....	398-399
Table XXI. Summary of values of Fruit, Fodders, Hoed Crops and Labour on farms, 1910.....	398-399
Table XXII. Summary of values of Live Stock in 1911 and Animals sold or slaughtered in 1910.....	400-401
Table XXIII. Summary of values of Dairy Products, Wool and Eggs, 1910.....	400-401
Table XXIV. Summary of Farm Holdings.....	401
Table XXV. Field Crops by Areas, Products and Averages, 1910, 1900.....	402-407
Table XXVI. Comparative Statement of Areas in principal Field Crops, 1890-1910.....	408
Table XXVII. Comparative Statement of yields of principal Grain Crops, 1880-1910.....	409
Table XXVIII. Number of Farm Animals, 1891-1911.....	410
Table XXIX. Average number of Farm Animals per farm holding, 1891-1911.....	411
Table XXX. Number of Live Stock per 100 acres improved land 1911, 1901.....	412
Table XXXI. Per cent distribution of Live Stock by Provinces, 1891-1901.....	413
Table XXXII. Value of Live Stock 1911, 1901.....	414
Table XXXIII. Average value per head of Live Stock on farms and elsewhere 1911, 1901.....	415
Table XXXIV. Comparative Statement of Animal products 1890-1910.....	416
Table XXXV. Pure-bred animals by classes.....	417-418

CONTENTS.

INTRODUCTION.

	PAGE.
Forest production on farms.	V
Incomparability of statistics with 1900.....	v
Square, waney or flat timber by quantities and values for Canada in 1910, and the price per unit of measure in 1910 and 1900.....	vi
Logs for lumber by quantities and values for Canada in 1910, and the value per M feet board measure in 1910 and 1900.....	vi
Miscellaneous forest products by quantities and values for Canada in 1910, and the value per unit of measure in 1910 and 1900.....	vii
Fishery production.	
Plant employed in fisheries by number and value compared for 1900 and 1910 for Canada.....	vii-viii
Value of plant by provinces compared for 1900 and 1910.....	viii
Persons employed in fisheries compared for 1900 and 1910 by provinces.....	ix
Production of fisheries by provinces compared for 1900 and 1910, by classes (1) sea and lake fisheries (2), fresh and preserved fish, with totals.....	ix-x
Ten principal kinds of fish compared by values of production and by percentages of total production for 1900 and 1910.....	x-xi
Fur production.	
Comparative table of the numbers of furs and skins of animals taken in 1871 and 1911 in the four provinces of Old Canada and the numbers for Canada as constituted in 1911 with increases or decreases 1871-1911.....	xii
Values of furs and skins of wild animals killed in 1880, 1890, 1900 and 1910 according to the censuses of 1881, 1891, 1901 and 1911, by provinces.....	xiii
Skins or pelts of the fox family taken in 1910.....	xiii-xiv
Skins or pelts of the weasel family (Mustelidæ) taken in 1910.....	xiv
Skins or pelts of the deer family taken in 1910.....	xv
Skins or pelts of other fur-bearing animals taken in 1910.....	xv
Fur farming in Canada.....	xv-xvi
Fur companies incorporated in Canada to April 1, 1914.....	xvi
Mineral production.	
General summary of—	
Mineral production in Canada, 1900 and 1910.....	xvii
Value of mineral production and per cent distribution by provinces 1900 and 1910.....	xviii
Value of buildings and plant compared by classes of ores and products for Canada in 1900 and 1910.....	xix
Mines or works and capital invested in buildings and plant together with per cent distribution by provinces 1910.....	xx
Comparative averages of employees, salaries and wages by classes of ores and products for Canada in 1900 and 1910.....	xxi
Classified groups of mineral products compared by values for Canada in 1900 and 1910.....	xxii
Per capita production of minerals by groups of classified ores and products for Canada in 1900 and 1910.....	xxii
Values of groups of classified ores and products, exclusive of manufactures for Canada in 1900 and 1910.....	xxiii
Metallic ores and products—	
Antimony, statistics of.....	xxiii
Cobalt, statistics of.....	xxiii-xxiv
Copper, statistics of.....	xxiv-xv
—production in Canada 1900 and 1910.....	xxiv
—employees on salaries and wages in 1900 and 1910.....	xv
Gold, lode or vein, statistics of.....	xxv-xxvi
—production in Canada in 1900 and 1910.....	xv
—employees, salaries and wages in Canada in 1900 and 1910.....	xxvi
Gold, placer, statistics of.....	xxvi
Iron ore, statistics of.....	xxvi-xxvii
Lead, statistics of.....	xxvii-xxviii
—production in Canada in 1900 and 1910.....	xxvii
Nickel, statistics of.....	xxviii
—production in Canada in 1900 and 1910.....	xxviii
Silver, statistics of.....	xxix-xxx
—production in Canada in 1900 and 1910.....	xxix
—employees, salaries and wages in Canada in 1900 and 1910.....	xxx
Zinc, statistics of.....	xxx
Non-metallic products—	
Arsenic, statistics of.....	xxx
Asbestos, statistics of.....	xxx-xxx
—production, plant, employees, salaries and wages in Canada in 1900 and 1910.....	xxx
Calcium carbide, statistics of.....	xxx
Coal, statistics of.....	xxxi-xxv
—production in Canada by classes in 1900 and 1910.....	xxxi
—imports by classes 1900-1910.....	xxxi
—consumption in Canada by five year periods.....	xxxi
—production by provinces compared for 1900 and 1910.....	xxxi
—capital and production compared by provinces in 1900 and 1910.....	xxxi
—employees, salaries and wages and production compared by provinces in 1900 and 1910.....	xxv
Coke, statistics of, compared for 1900 and 1910.....	xxv
Corundum, statistics of.....	xxv
Feldspar, statistics of.....	xxvi
Graphite, statistics of.....	xxvi
Grindstones and pulpstones, statistics of.....	xxvi
Gypsum, statistics of.....	xxvi
Mica, statistics of.....	xxvi-xxvii
Mineral pigments, statistics of.....	xxvii
Mineral water, statistics of.....	xxvii
Miscellaneous minerals, statistics of.....	xxvii-xxviii
—production in Canada in 1900 and 1910.....	xxviii
Natural gas, statistics of.....	xxviii
Petroleum crude, statistics of.....	xxviii
Phosphate (apatite), statistics of.....	xxviii-xxix
Pyrites, statistics of.....	xxix
Quartz, silica, statistics of.....	xxix
Salt, statistics of.....	xxix
Talc, statistics of.....	xxix

Structural materials—

	PAGE.
Cement, Portland, statistics of.....	xl-xlii
—production in Canada, 1900-1910.....	xl
—plant, capital and daily capacity by provinces in 1900 and 1910.....	xli
—employees, salaries and wages by provinces in 1900 and 1910.....	xlii
—production by quantities and values by provinces in 1900 and 1910.....	xliii
Cement blocks and tiles, statistics of.....	xliii
Clay products, statistics of.....	xlii-xliv
—plants in operation and capital invested by provinces in 1900 and 1910.....	xliiii
—employees, salaries and wages and production in 1900 and 1910.....	xliiv
—production by classes in Canada in 1900 and 1910.....	xliiv
Lime, statistics of.....	xlv
Sand and gravel, statistics of.....	xlv-xlvi
—production by provinces in 1900 and 1910.....	xlv
Stone, statistics of.....	xlvi-xlviii
—plant and capital by classes in Canada in 1900 and 1910.....	xlvii
—employees, salaries and wages by classes in Canada in 1900 and 1910.....	xlvii
—production by classes in Canada in 1900 and 1910.....	xlvii
—values of production by classes for provinces compared for 1910.....	xlviii
Classes of ores and products compared for 1900 and 1910 according to the reports of the Department of Mines and the Census Bureau.....	xlix-1

GENERAL TABLES.

PRODUCTS OF THE FOREST CUT ON FARMS.

Table I. Products of the Forest—Square, waney or flat timber, 1910.....	2-9
Table II. Products of the Forest—Logs for lumber, etc. 1910.....	10-17
Table III. Products of the Forest—Miscellaneous, 1910.....	18-25
Table IV. Values of forest products, 1910.....	26-29
Table V. Comparative statistics of forest products for 1900 and 1910.....	30
Table VI. Quantities and values of forest products by classes and kinds, 1910.....	31
Table VII. Exports of forest products of Canada to all countries by values in the fiscal years 1911 and 1901.....	32
Table VIII. Imports of forest products into Canada from all countries by values in the fiscal years 1911 and 1901.....	33

PRODUCTS OF THE FISHERIES.

Table IX. Fisheries—Vessels, boats and employees, 1910.....	34-35
Table X. Fisheries—Fishing material, buildings and plant, 1910.....	34-35
Table XI. Fisheries—Quantities and values of fresh fish in 1910, by provinces.....	36-37
Table XII. Fisheries—Quantities and values of preserved fish in 1910, by provinces.....	38-39
Table XIII. Fisheries—Quantities and values of other fishery products in 1910, by provinces.....	38-39
Table XIV. Fisheries—Quantities and values of all fish and fishery products in Canada in 1910, classified (1) as sea fisheries, 2) inland fisheries and (3) both fisheries.....	40

PRODUCTION OF FURS AND SKINS OF ANIMALS.

Table XV. Number and value of the skins and furs of wild animals killed in 1910, by Census Districts.....	42-87
Table XVI. Summary of the value of the skins and furs of wild animals killed in 1910 for Canada and the provinces.....	88-89

MINERAL PRODUCTION.

Table XVII. Statistics of the Mineral production of Canada and the provinces for the Census year 1910, by kinds of minerals and mineral products.....	90-136
Table XVIII. Summary of mines or works in Canada and the provinces for the Census year 1910, by classes of ores and products.....	137
Table XIX. Summary of the mineral statistics of Canada and the provinces by classes of products showing quantities and values for the Census year 1910.....	138-153
Table XX. Capital employed in buildings and plants compared for 1900 and 1910, by classes of ores and mineral products for Canada.....	155-155
Table XXI. Salaries and wages of persons employed compared for 1900 and 1910 by classes of ores and mineral products for Canada.....	156-157
Table XXII. Classes of mineral products compared for 1900 and 1910 for Canada and the provinces.....	158-159
Table XXIII. Classes of ores and products exclusive of manufactures compared by quantities and values in 1900 and 1910 for Canada.....	160-163
Table XXIV. Classes of ores and products inclusive of manufactures compared by quantities and values in 1900 and 1910 for Canada.....	164-167
Table XXV. Imports of minerals and mineral products by quantities and values compared for 1900 and 1910.....	168-169
Table XXVI. Exports of minerals and mineral products by quantities and values compared for 1900 and 1910.....	170-171

CONTENTS.

INTRODUCTION.

	PAGE.
1. Area of enumeration.....	ix
2. Method of enumeration.....	ix
3. Scope of Inquiry.....	ix
4. Mechanical tabulation of census statistics.....	x
5. Method of transferring record from schedule to punched card.....	x
6. Index to occupations, explanations of.....	x
7. Occupations expressed by symbols.....	x
8. Indefinite terms, difficulties regarding.....	xi
9. Labourers, how classified.....	xi
10. Office employees, how classified.....	xi
11. Numerical distribution by sex of the population 10 years of age and over by decades 1881-1911.....	xii
12. Per cent distribution of the population 10 years of age and over 1881-1911.....	xiii
13. Population 10 years and over by specified age groups compared by decades, Canada.....	xiii
14. Number and percentage of population 10 years of age and over reported as having a gainful occupation.....	xv
15. Number of males and females-employed in gainful occupations by provinces.....	xv
16. Percent distribution of workers in each province according to sex, 1911.....	xvi
17. Number of female workers in every 1,000 of the female population 10 years of age and upwards.....	xvii
18. Ratio of male and female workers.....	xvii
19. Workers in each occupational group compared by totals for 1891, 1901 and 1911.....	xviii
20. Workers in each occupational group compared by sex for 1891, 1901 and 1911.....	xix
21. Percent distribution of workers according to industries 1881-1911.....	xx
22. Workers in each occupational group classified by totals according to nativity, 1911.....	xx-xxi
23. Distribution per cent of workers according to nativity and occupational groups.....	xxii
24. Distribution per cent of workers in gainful occupations by industries and by provinces, 1911.....	xxiii
25. Total population 10 years of age and over classified as workers and non-workers 1881-1911.....	xxiv
26. Proportion per 1,000 of the population of Canada 10 years of age and over, recorded with a gainful occupation.....	xxv
27. Distribution per cent of the gainfully employed classified by sex and age periods, 1911.....	xxv
28. Males and females at each age period, the total and percent number employed in gainful occupations, 1911.....	xxvi
29. Distribution percent of workers in each occupational group by age periods and sex, 1911.....	xxvii
30. Employment of children under 15 years, 1911.....	xxvii
31. Children under 15 years classified according to occupational groups in which employed.....	xxviii
32. Number and distribution per cent of persons 65 years and over employed in certain occupations.....	xxviii-xxix
33. Labourers, method of classification at each Census 1881-1911.....	xxix-xxx
34. Distribution per cent of male labourers in each industry by age periods, 1911.....	xxx

GENERAL TABLES.

Table I. Occupations of the people compared for all Canada, 1881, 1891, 1901 and 1911.....	2-9
Table II. Number of persons 10 years of age and over employed in gainful occupations summarized by provinces and by industries, 1911.....	10-13
Table III. Occupations of persons 10 years of age and over engaged in gainful occupations arranged in alphabetical order 1911.....	14-29
Table IV. Number of persons 10 years of age and over engaged in gainful occupations in Canada by Aggregates, Nativity and Age periods, 1911.....	30-51
Table V. Number of persons 10 years of age and over by provinces engaged in gainful occupations by Aggregates, Nativity and Age periods, 1911.....	52-249
Table VI. Number of persons 10 years of age and over in cities of 15,000 and over engaged in gainful occupations by Aggregates, Nativity and Age periods, 1911.....	250-469
